Well Done: this is a temperature we cannot achieve without extreme quality loss, therefore we have chosen not to offer well done steaks.

We serve only the very best USDA Prime Steaks. Cooking these steaks well done removes the attributes that make it a great steak. Medium well is the highest temperature we can achieve due to the tremendous marbling in this premium grade of beef.

We can not offer you some of our classic menu items until our vendors can provide the "quality and value" you are accustomed to at Johnny Manhattan's. Prime Rib, Lobster Tail's, Crab Legs and Lamb just to name a few items. We thank you for your patience during these challenging times.

"We are not responsible for steaks ordered medium well or well done."

The state of Wisconsin's food code requires Johnny Manhattan's to inform our guests that, "consuming raw or undercooked meats, poultry, shellfish, seafood or eggs, may increase you risk of food borne illnesses."
