PRIME STEAKS & CHOPS

Johnny Manhattan's is proud to be one of the only restaurants in the Milwaukee area to be showcasing ALL prime steaks on our menu. Roughly only 2.9% of meat is deemed worthy of the title "Prime", and we know our guests have come to expect the flavor that is associated with having a top quality steak.

Includes oven fresh bread, house salad and choice of potato. Steaks served with our House Mushrooms

Well Done: this is a temperature we cannot achieve without extreme quality loss, therefore we have chosen not to offer well done steaks.

We serve only the very best USDA Prime Steaks. Cooking these steaks well done removes the attributes that make it a great steak. Medium well is the highest temperature we can achieve due to the tremendous marbling in this premium grade of beef.
